

Study to Shine

Admin

- Take charge of your learning

Three types of Admin

The Admin dashboard should adapt with respect to the different types of Admin

SUPER ADMIN

- Is responsible for creating user accounts
- Assign rights to Moderator and Author that decides their access.
- Giving approvals for modification or deletion requests raised by authors/ moderators.
- A content can only be viewed on the platform to users after Super Admin's approval
- Authors or Moderators can change their passwords (Forgot password)
- Super Admin can add/modify /delete:
 - Level
 - Category (I am Aware/My Country My Pride/ I Excel)
 - Topic(I am Aware/My Country My Pride/ I Excel/I Learn/I Enjoy/ I Assess)
 - Course(I Learn/I Enjoy/ I Assess)
 - Module (I Learn/I Enjoy/ I Assess)
- Can assign comments of moderator to be resolved by the Author.

MODERATOR

Is responsible for:

- Reviewing all authors request for uploading, modification and deletion only in view and comment mode.
- The comments can be viewed by admin.
- Their comments helps the decision making process of Super Admin and author

AUTHOR

Is responsible for:

- Add/ modify topic: I Excel/ I am Aware /My Country My Pride
- Raise deletion request for topic
- Can only add topic for I learn/ I enjoy
- Can add questions for topics (I Assess)
